**GENERAL INSTRUCTIONS TO TENDERERS**

1. Water meters are very sensitive to our operations and information provided by tenderers should be stated clearly and correctly
2. All tenderers must provide technical information (e.g. maximum allowable normal pressure) on meters which they are intending to supply.
3. All tenderers must provide evidence that their products meet the minimum standards for cold water meters by Kenya Bureau of Standards (KEBS)
4. Tenderers must declare warranties awarded/not awarded on their products
5. The successful tenderers will be required to provide a sample of various meter sizes before substantial orders are made
6. Failure to submit required information may lead to disqualification

CONFIDENTIAL
